

ILLINOIS STATE REPORT CARD

State and federal laws require public school districts to release report cards to the public each year.

This year, we have updated the report card to provide a full picture of school performance beyond just test scores. A display of this data designed with parents and communities in mind is available on illinoisreportcard.com. All of the metrics posted on illinoisreportcard.com are also included in this report.

ACADEMIC PERFORMANCE

ACT ASSESSMENT: GRADUATING CLASS OF 2015*

The number and percent of students taking the ACT are no longer reported since virtually every eleventh grade student takes the ACT as part of the PSAE.

* Includes graduating students' most recent ACT Assessment scores from an ACT national test date or PSAE testing. All students whose scores are college reportable, both standard and extended time tests, are now included. State averages for ACT data are based on regular public schools and do not include private and special purpose schools.

PERFORMANCE ON STATE ASSESSMENTS

The PARCC is administered to students in grade 3 through 8 and high school. The DLM-AA is administered to students in grade 3 through 8 and 11 with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the PARCC would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

Partnership for Assessment of Readiness for College and Careers (PARCC)

Each Performance Level is a broad, categorical level defined by a student's overall scale score and used to report overall student performance by describing how well students met the expectations for their grade level/course. Each Performance Level is defined by a range of overall scale scores for the assessment. There are five Performance Levels for PARCC assessments:

- Level 1: Did not yet meet expectations
- Level 2: Partially met expectations
- Level 3: Approached expectations
- Level 4: Met expectations
- Level 5: Exceeded expectations

Students performing at levels 4 and 5 met or exceeded expectations, have demonstrated readiness for the next grade level/course and, ultimately, are on track for college and careers. Performance Level Descriptors (PLDs) describe the knowledge, skills, and practices that students should know and be able to demonstrate at each Performance Level in each content area (ELA/L and mathematics), and at each grade level/course. PLDs are available at <http://avocet.pearson.com/PARCC/Home>.

Dynamic Learning Maps - Alternative Assessment (DLM-AA)

DLM results are not based on raw or scale scores; all data is based on diagnostic classification modeling.1 Standard setting allows us to look at patterns of number of linkage levels mastered across the tested Essential Elements, to which we can apply cut points to define categories of student performance. This performance are reported using the four performance levels approved by the consortium:

- Level 1 -- Entry - Students do not demonstrate knowledge and skills in the subject through links to the Illinois Learning Standards.
- Level 2 --Foundational - Students demonstrate emerging knowledge and skills in the subject as linked to the Illinois Learning Standards. Students exhibit an ability to reproduce knowledge and skills.
- Level 3 -- Satisfactory - Students demonstrate basic knowledge and skills in the subject through links to the Illinois Learning Standards. Students exhibit an ability to associate their knowledge and skills.
- Level 4 -- Mastery - Students demonstrate knowledge and skills in the subject through links to the Illinois Learning Standards. Students exhibit the ability to apply their knowledge and skills.
